COMMENTS	Seller over expanded with second large implant center. Built scratch in 2023. Had superb 2024 @ \$1.7M+ but running 2 practices 40 miles from each other proved to be challenging. Practice has 6 GP ops and 3 surgical suites. Beautiful Anthos dental units from Italy! 3 surgery room are plumbed for nitrous and oxygen. Large lab area, conference room, several consult and call center offices. Built to be a \$5M to \$10M full arch implant center. Practice has all the instruments and technology to start ASAP! Seller finishing up cases one day per week and starting some limited cases until sold. Incredible value and opportunity for full arch practices or multi-specialty practice.
