COMMENTS Seller built an incredibly creative, beautiful pedo practice that grew faster than she thought and cannot keep up! Relocating to San Diego for family reasons. Retail center is very large and has a dozen national retailers. Business has exclusivity for Pediatric dentistry in the center. Opened from scratch in late 2023 and has had non-stop new patients. So many in fact she stopped taking new patients for a couple of months! Seller has mastered on-line marketing and community outreach programs and created an incredible brand in very short period of time.
